Ref:- G.O.No.2237 P.H. dated 21-6-1938 as amended by G.O.No.3713 P.H. dated 13-10-1939.

The Water Works pumping station of this municipality is at a distance of 10 miles from this town on the bank of Hagari river. The nearest village is a mile from that place. Quarters have been provided to the staff of the pumping station at the cost of the municipality and no rent is being charged for their occupation. On an objection raised by the District Inspector of Local Fund Accounts, Bellary in 1933-34, the Water Works Standing Committee in its resolution No.3 dated 20-5-35 (copy enclosed) resolved to allow rent free quarters to all the staff

at the Pumping station. After receipt of the G.O. No.2237 P.H. dated 21-6-38, the District Inspector of Local Fund Accounts, Bellary again raised the question of the grant of rent free quarters to them at the cost of the municipality. Thereupon the Water Works Standing Committee in its Resolution No.7 dated 28-3-39 (copy enclosed) resolved that no rent need be recovered. To avoid audit objection, I request that the Government may be pleased to approve the Council's action in giving rent free quarters to the staff of the pumping station at its cost.
